

The Best Possible Testimonial!

We are sincerely humbled by the really wonderful things our guests say about their Tasimba experience. Their week-long curated immersion with us into the African wilderness is so much more than just a safari! Words like these have been in so many testimonials we've received:

"...an amazing growth experience..."

"...the passion Tasimba puts into the entire experience – it's second to none!"

"...definitely life-changing!"

"...the whole experience has been way beyond my expectations..."

"...a unique and inspiring experience of learning and camaraderie in the African wilderness."

"...inspiration from end to end..."

"...the wilderness immersion of Tasimba is truly extraordinary."

"Tasimba blew our minds!"

[When our guests tell us](#) things like this and more importantly when they tell their friends, that's when we know that what we have created in this wonderful experience called Tasimba is a week of unforgettable memories for our guests. Mentally and emotionally, we know that they will often revisit their indelible moments in the African bush.

When guests choose to join another Tasimba safari a couple of years after their first, it is without a doubt the gift of the greatest testimonial we could ever hope to receive!

We are immensely proud, and deeply gratified, that we have two returning guests from our very first Tasimba trip in March 2016, who will be joining the couples already signed up for our October/November 2018 safari! These repeat guests have both been amazing ambassadors for Tasimba and both will bring their own unique contributions of passion, wisdom and insight to our next safari, just as they did to our first. We are delighted to welcome them back!

Our generous **Early Booking Allowance** is still in effect **until April 28th** for the October/November 2018 safari. Why don't YOU take advantage of this incredible, limited time offer and join all of our great guests this fall? It will be the trip of a lifetime - and so much more than just a safari!
